Subject: RE: [REDACTED] case- Peabody

I just checked with the evidence office and the drugs have not been picked up yet. Also, I spoke with Peter and he is on call for a Superior case tomorrow, however, he said if they need him in the morning he could possibly make it to Peabody in the afternoon if necessary.

Thanks, Kate! If the drugs are back at the Peabody Police Dept. , can I put you on phone stand-by? I'll only need one of you. I called and spoke to the defendant's attorney to let him know of the situation, and he expects we can work out a plea that day. Please let me know if the drugs are still at the lab as soon as you can. Thanks,
-Nat

Hi Nat,

I will check with the evidence office to see if the drugs have been picked up yet or not. I am available on 12/7 if you needed, not sure of Peter's availability though.

Thanks,

Hello Kate and Peter,

I just received the certificates from an expedited drug analysis request on [REDACTED]. This case is scheduled for trial on 12/07/11. Unless by some chance either of you are available on super-short notice, it looks like I will need to request a continuance. Can you confirm for me whether the drugs are still at the lab or has Peabody PD picked them up yet? Please also confirm your availability, or lack thereof, for Wed., 12/07/11.

Thanks,

-Nat
